HUA SHU

01 — WHO WE ARE

A Specialist Woven Mill

Zhejiang Huashu Textile & Garment Co., Ltd. is an integrated textile enterprise covering R&D, design, weaving, dyeing, finishing and sales. Since 2010, we have devoted ourselves to one craft: woven fabrics engineered for professional wear — fabrics that hold their shape through long shifts, keep their color through countless washes, and protect the people who wear them.

Today, Huashu fabrics serve police and military programs, corporate uniform buyers, workwear brands and fashion houses across Europe, North America, Southeast Asia and the Middle East.

华树纺织是一家集研发、设计、织造、染整与销售于一体的综合性纺织企业。自 2010 年创立以来，专注于为职业着装打造专业梭织面料——挺括保型、色牢度优异、功能防护可靠。

OUR PROMISE *“Every meter we ship carries our name. We weave like our reputation depends on it — because it does.”*

Fifteen Years of Craft

2010 — **The Beginning** — Huashu is founded in Shaoxing — China's textile capital — with a single focus: quality woven fabrics for professional wear. In the same year, our collections are selected for the DEVNET Pavilion at the Shanghai World Expo.
华树创立于中国纺织之都绍兴，同年受邀参展上海世博会 DEVNET 馆。

2010s — **Building the Mill** — We invest in 268 air-jet rapier looms and complete dyeing & finishing lines from France, Belgium, Japan and South Korea — bringing weaving, dyeing and finishing under one roof, and scaling output to 16 million meters a year.
引进 268 台国际先进织机及法、比、日、韩染整设备，织染整一体化，年产能达 1600 万米。

2022 — **On the World Stage** — Huashu exhibits at SOFEX in Jordan, presenting military camouflage and tactical fabrics to defense buyers from across the region — the start of our deep engagement with Middle East uniform programs.
参展约旦 SOFEX 国际防务展，向中东军警客户展示迷彩与战术面料。

Today — **Mill to Runway** — From police dress uniforms to China Fashion Week runway collections, Huashu fabrics now serve uniform programs, workwear brands and fashion houses worldwide — with recycled RPET and functional finishes leading our next chapter.
从军警制服到中国国际时装周，产品远销全球， RPET 再生与功能性面料引领新篇章。

HUA SHU

Woven Into Everything We Do

Our Mission

To be the most trusted woven-fabric partner for uniform and workwear programs worldwide — delivering fabrics that perform as promised, on time, every time.

成为全球制服与工装项目最信赖的梭织面料伙伴——品质如诺，交期必达。

Our Vision

A world where professional wear is safer, more comfortable and more sustainable — powered by textiles engineered with care.

让职业着装更安全、更舒适、更可持续——以匠心工程纺织品驱动。

How We Work

Quality before quantity. Promises before orders. Long-term partnerships before one-time deals. We grow only when our customers grow.

质量先于数量，承诺先于订单，长期合作先于一锤子买卖。客户成长，我们才成长。

04 — CAPACITY AT A GLANCE

Scale That Delivers

268

Air-jet rapier looms from Europe & Japan

268 台欧洲、日本先进喷气剑杆织机

16M

Meters of woven fabric produced every year

年产梭织面料约 1600 万米

1,000s

Stock qualities held in our Shaoxing showroom

绍兴展厅常备数千个现货品质

24H

Response commitment on samples & quotations

样品与报价 24 小时内响应

Vertical integration — weaving, dyeing and finishing under one roof — means tighter quality control and faster lead times.

HUA SHU

05 — RESEARCH & DEVELOPMENT

Innovation Is Our Thread

Our R&D team works at the intersection of textile science and real-world wear: new fiber blends, smarter finishes, and constructions tuned for climate, duty and comfort.

研发团队深耕纺织科学与实际穿着场景：新型纤维混纺、智能后整理、针对气候与勤务优化的织物结构。

CUSTOM DEVELOPMENT

Built Around Your Brief

Send us a swatch, a Pantone code, a specification — or just an idea. We develop to your composition, weight, color and function, with lab dips and strike-offs in days, not weeks. ODM and OEM programs welcome.

- Development by sample, composition, weight & finish
- Pantone-matched lab dips within days
- Functional finishes combinable to end use
- Exclusive constructions for national programs

06 — INSIDE OUR SHOWROOM

See It. Touch It. Believe It.

Our Shaoxing showroom holds thousands of stock qualities — dress uniforms, camouflage, functional finishes — ready for immediate sampling. Our Teflon® 3-defense display (water / oil / stain) lets buyers test performance with their own eyes. What you see on the rack is what we weave in our own mill.

绍兴展厅常备数千个现货品质，军警制服、迷彩、功能性面料即取即寄；特氟龙三防展示可现场验证性能。所见即所得。

HUA SHU

Four Families, One Standard

And every one of them fully customizable — any base, any function, any color.

Uniform & Workwear

TR suiting, polyester-wool dress uniform, cotton-blend workwear, camouflage & ripstop. The backbone of police, military, corporate and industrial programs.

制服工装

Functional Finishes

Waterproof, oil-proof, flame-retardant, anti-static, antibacterial, UV-protective, moisture-wicking, cooling & graphene — combinable to your end use.

功能性整理

Recycled RPET

Post-consumer recycled polyester across uniform, workwear and fashion weights. Same performance, smaller footprint — with traceable content.

再生 RPET

Fine Suiting

Wool-acetate blends, TR worsted looks and fashion-forward constructions — fabrics refined enough for the runway, durable enough for daily wear.

精纺西装

HUA SHU

08 — DRESS & SERVICE UNIFORMS

Uniforms That Command Respect

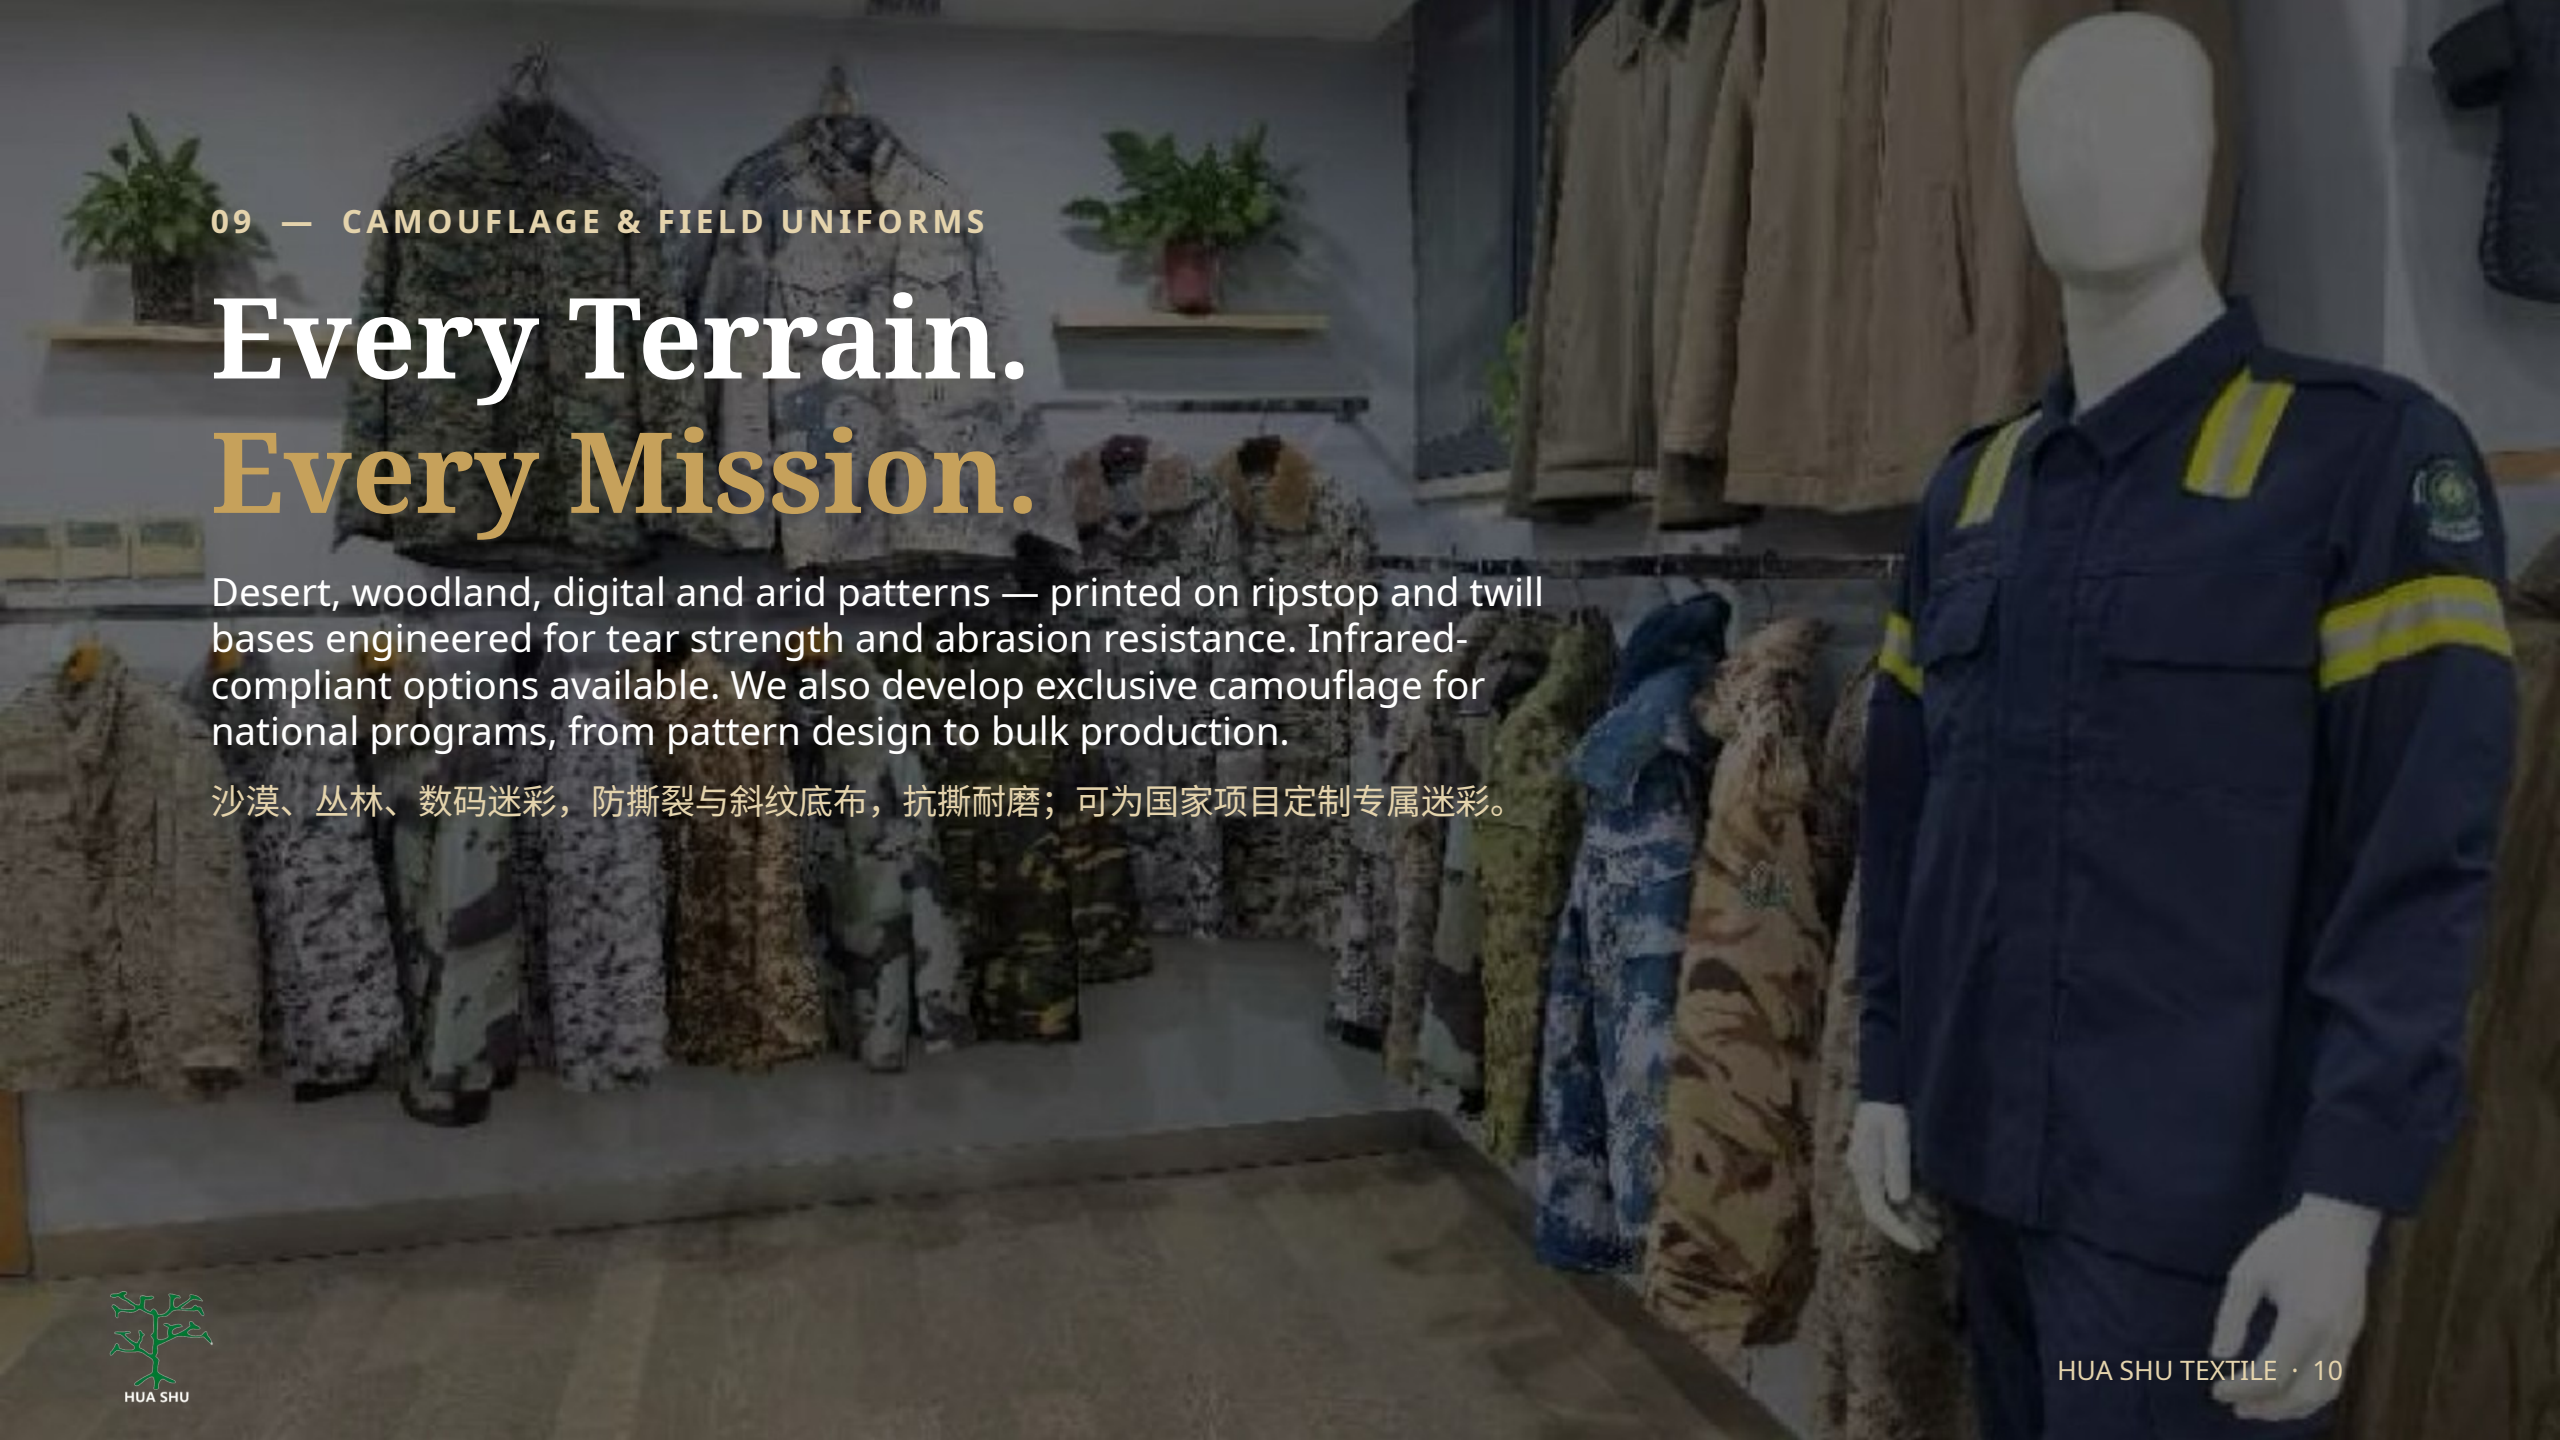

From police and civil-defense dress uniforms to corporate suiting, our TR and wool-blend fabrics deliver a sharp silhouette, lasting color and all-day comfort. Precision tailoring starts with a fabric that holds its line — ours do, wash after wash, season after season.

军警礼服、民防制服、职业正装—— TR 与含毛面料挺括保型、色牢度高，深受中东制服项目信赖。

- TR polyester-viscose suiting (150–270 GSM)
- Polyester-wool dress uniform (143–260 GSM)
- Teflon® 3-defense finish available
- Badges, braids & trims compatible

HUA SHU

09 — CAMOUFLAGE & FIELD UNIFORMS

Every Terrain.
Every Mission.

Desert, woodland, digital and arid patterns — printed on ripstop and twill bases engineered for tear strength and abrasion resistance. Infrared-compliant options available. We also develop exclusive camouflage for national programs, from pattern design to bulk production.

沙漠、丛林、数码迷彩，防撕裂与斜纹底布，抗撕耐磨；可为国家项目定制专属迷彩。

HUA SHU

From Our Fabric, To Their Uniforms.

Sample garments cut and sewn from our own stock fabrics — ready for your evaluation. ODM / OEM welcome.
样衣均为自有面料打样，欢迎索取；支持 ODM / OEM 从纸样到大货。

Civil Defense
民防制服

Industrial Workwear
工业工装

Corporate Uniform

HUA SHU

13 — ONE-STOP SERVICE

From Fabric to Finished Kit.

Custom fabrics are only the beginning — one partner for the complete uniform program.
定制面料只是起点——从纱线到成品，华树一站交付。

- Woven to order — composition, weight, color and function, camouflage included.
  面料按需定制——成分、克重、颜色、功能，迷彩亦可。
- Cut & sewn in-house — uniforms, workwear, tactical vests, rainwear and field dress.
  成衣自主生产——制服、工装、战术背心、雨衣、野战服。
- Military & tactical boots — the full kit from a single source.
  军靴战术靴——全套装备，单一来源。
- One contract, one QC chain — built for government and defense tenders.
  一单交付、一套品控——为政府与国防订单而生。

Tell us the mission — we deliver the kit.
说出您的需求，华树交付整套装备。

HUA SHU

14 — FUNCTIONAL FIBER SERIES

Innovation, Woven In.

Seven proprietary functional fibers, engineered at the fiber level.

七大自研功能性纤维 · 纤维级研发 · 均有第三方检测报告

01 FIBER

冰凉纤维
Cooling Fiber

- 冰凉感 Cool Touch
- 吸湿速干 Quick-Dry
- 持续散热 Heat Release
- 抗菌 Antibacterial
- 消臭 Deodorant
- 抗紫外 Anti-UV

✓ 检测报告可查
TEST REPORT AVAILABLE

02 FIBER

热感纤维
Thermal Fiber

- 内发热 Internal Heat
- 保暖 Heat Retention
- 远红外 Far Infrared
- 抗紫外 Anti-UV
- 抗菌 Antibacterial
- 吸湿速干 Quick-Dry

✓ 检测报告可查

05 FIBER

冰咖纤维
Icekafe Fiber

- 冰凉干爽 Cool & Dry
- 高吸湿 Absorbent
- 抗菌 Antibacterial
- 消臭 Deodorant
- 抗紫外 Anti-UV
- 防静电 Anti-static

✓ 检测报告可查
TEST REPORT AVAILABLE

06 FIBER

咖啡炭纤维
KAFETEX

- 干爽 Cool & Dry
- 吸臭消臭 Deodorant
- 抗菌 Antibacterial
- 防静电 Anti-static
- 远红外 Far Infrared

✓ 检测报告可查
TEST REPORT AVAILABLE

07 FIBER

竹炭纤维
Bamboo Charcoal

- 抗菌 Antibacterial
- 吸汗消臭 Deodorant
- 速干 Quick-Dry
- 保暖 Heat Retention
- 负离子 Negative Ions
- 耐水洗 Washable

✓ 检测报告可查
TEST REPORT AVAILABLE

15 — FULL CUSTOMIZATION

Every Fabric. Your Specification.

There is no fixed menu at Huashu. Every fabric we make can be customized — composition, weight, width, color — and engineered with the functions your end use demands.

华树没有固定菜单：所有面料均可按需定制——成分、克重、门幅、颜色均可调整，并可叠加各种功能整理。

Start with any base

TR suiting, cotton twill, ripstop, wool-blend, RPET — pick the hand feel and weight your program needs.

任选底布

Add the functions

Waterproof, flame-retardant, anti-static, antibacterial, UV, wicking, cooling, Teflon® 3-defense — single or combined.

叠加功能

Match your color

Pantone-matched lab dips in days; custom camouflage patterns developed exclusively for you.

定制颜色花型

Scale with confidence

Low MOQs for trial development, scalable capacity for national tenders — same quality, any volume.

灵活起订量

“If you can specify it, we can weave it.” — 只要您能提出要求，我们就能织出来。

HUA SHU

16 — FABRIC LIBRARY

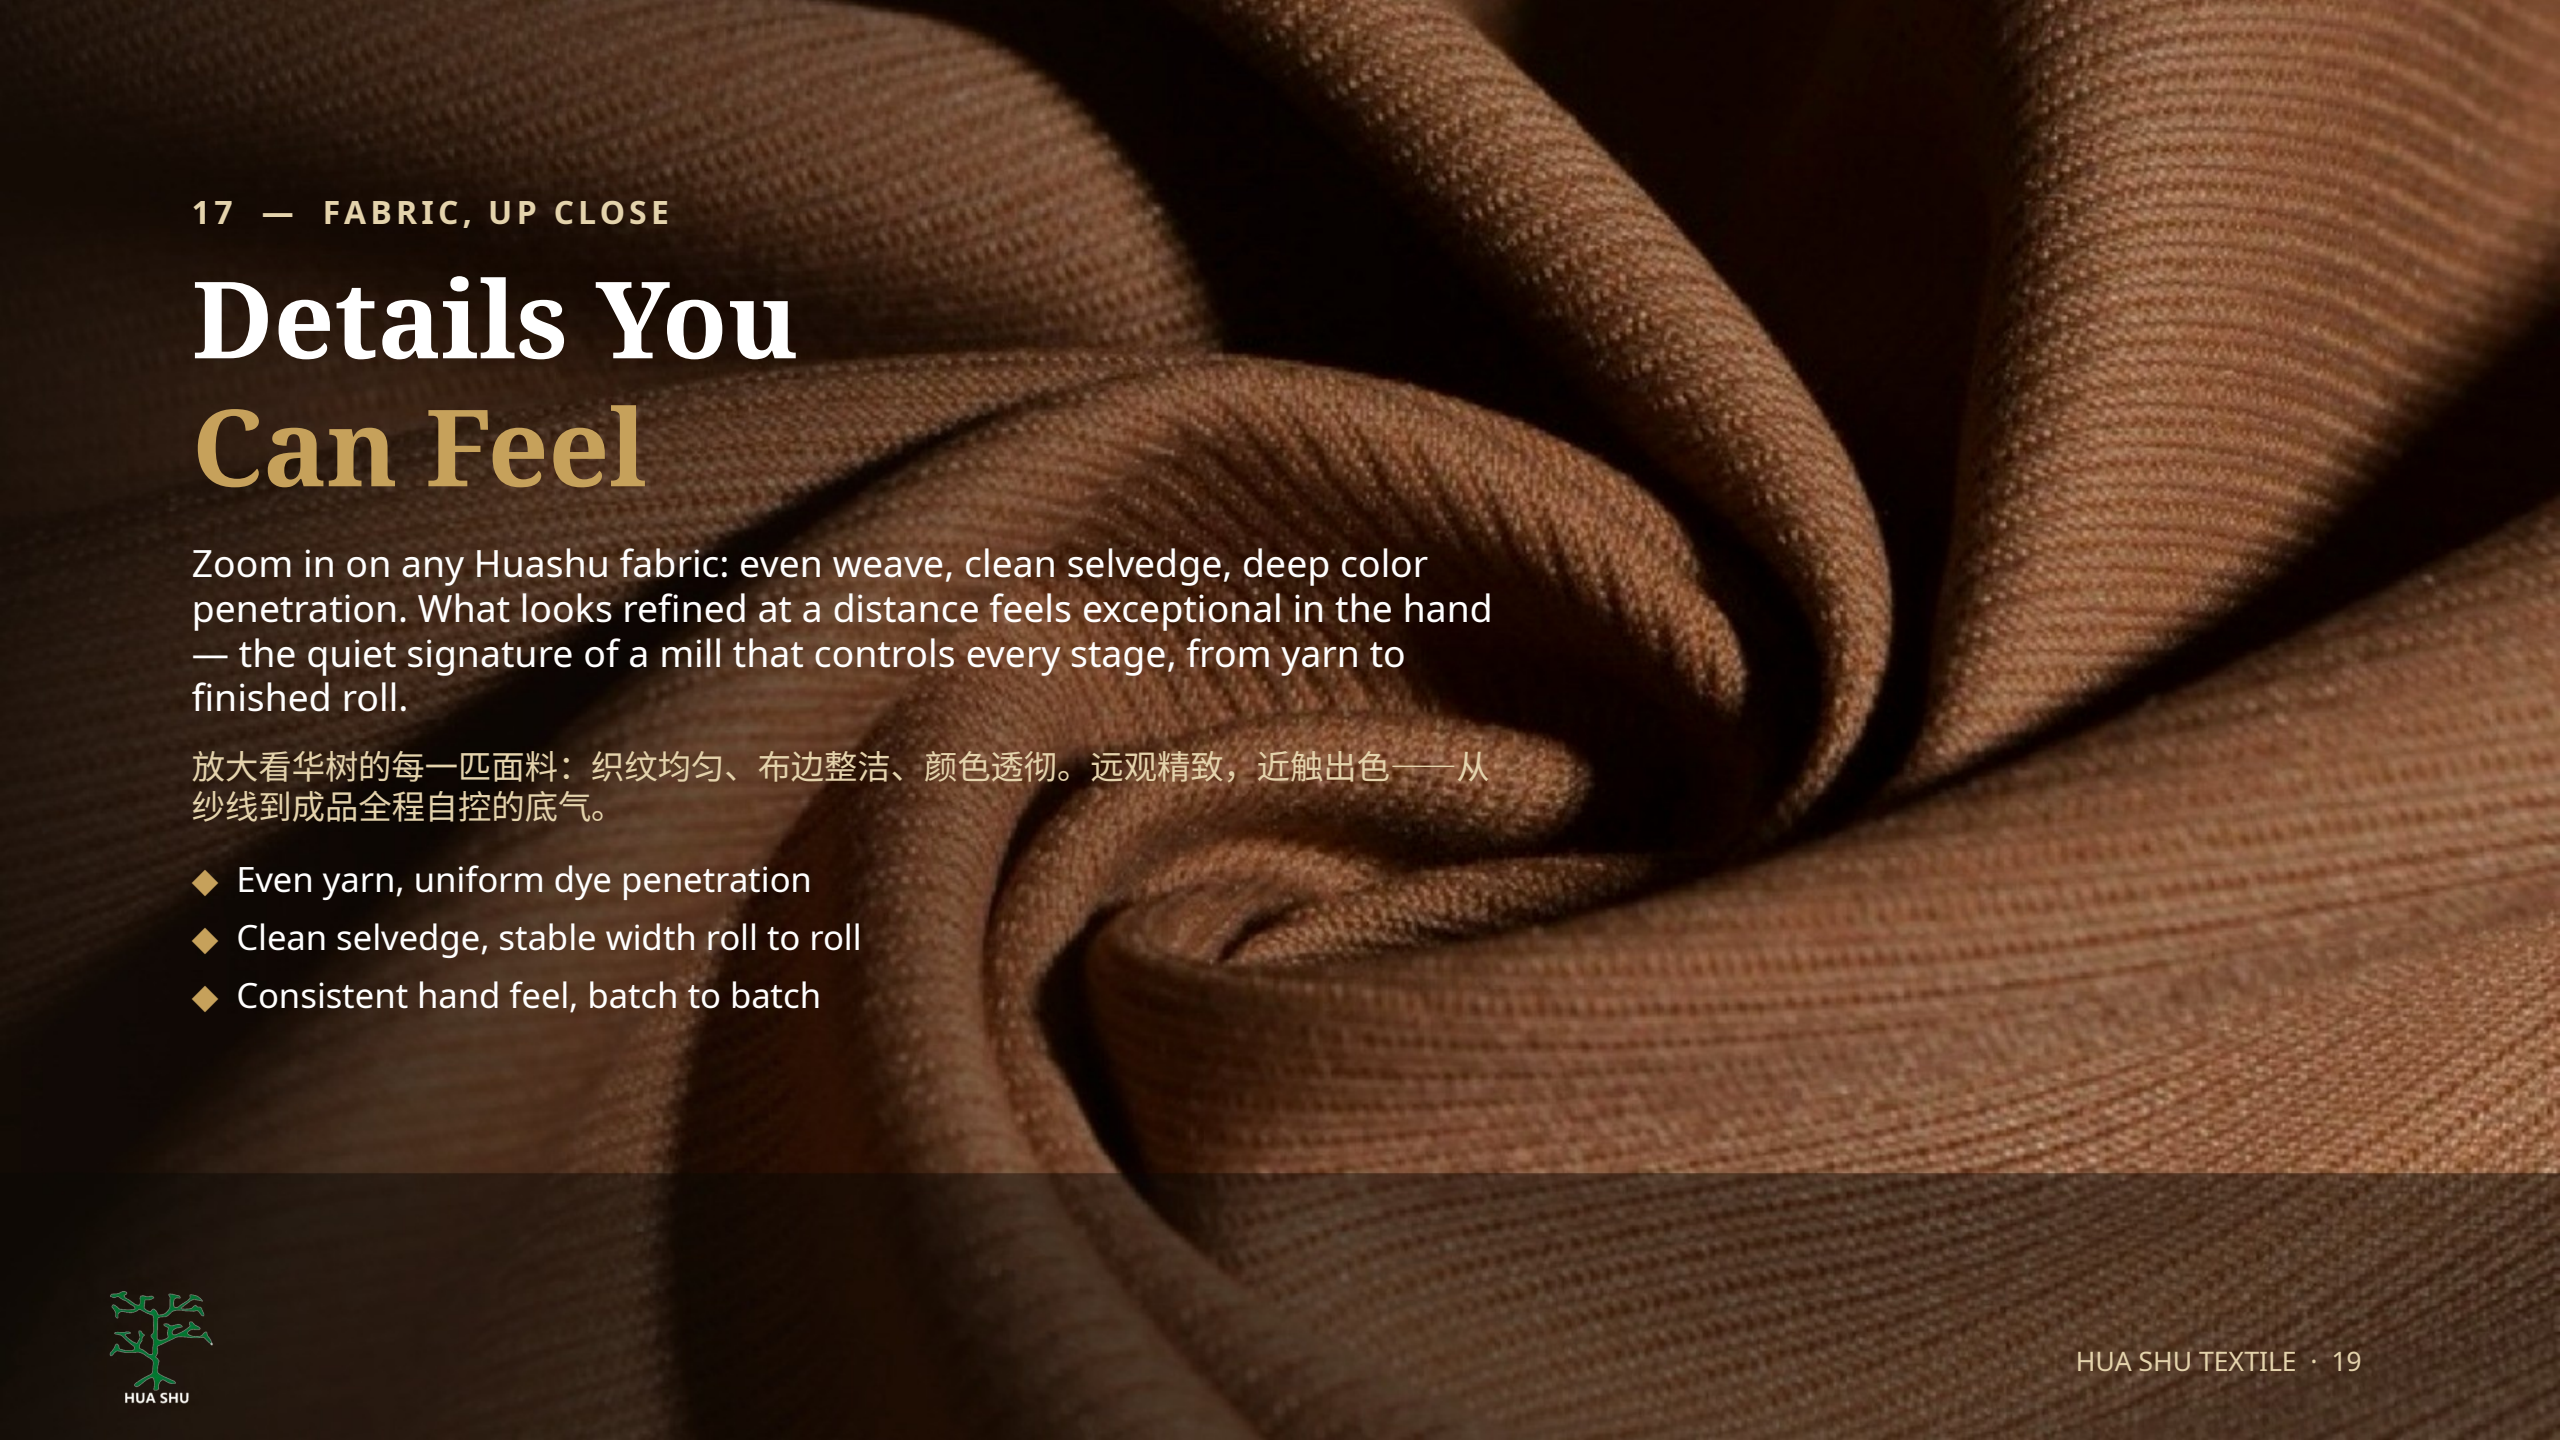

A Library You Can Touch

Hundreds of hangers, thousands of options. Every swatch is tagged with composition, weight and finish — so your sourcing decision takes minutes, not weeks. Can’t visit Shaoxing? We courier curated swatch sets worldwide.

数百组挂卡、数千个选择，每片样卡标注成分、克重与功能；无法亲临绍兴，我们可将精选样卡寄送全球。

- Stock program for immediate sampling
- Pantone-matched lab dips in days
- Low MOQs for trial orders
- Seasonal new-quality launches

HUA SHU

17 — FABRIC, UP CLOSE

Details You Can Feel

Zoom in on any Huashu fabric: even weave, clean selvedge, deep color penetration. What looks refined at a distance feels exceptional in the hand — the quiet signature of a mill that controls every stage, from yarn to finished roll.

放大看华树的每一匹面料：织纹均匀、布边整洁、颜色透彻。远观精致，近触出色——从纱线到成品全程自控的底气。

- Even yarn, uniform dye penetration
- Clean selvedge, stable width roll to roll
- Consistent hand feel, batch to batch

HUA SHU

Field-Tested Camouflage

From woodland to digital patterns, our camouflage fabrics are developed for military, police and security uniforms. High-colorfastness printing on durable weaves — matched from lab dip to bulk, so every garment performs in the field.

从林地迷彩到数码迷彩，为军警制服与安保勤务开发的迷彩面料。印花色牢度高、布面结实耐磨，从 lab dip 到大货颜色始终稳定。

- Woodland, digital & custom camouflage patterns
- High colorfastness for demanding field use
- Built for military, police & security uniforms
- Consistent color from sampling to bulk

HUA SHU

Quality, Without Compromise

A uniform is only as reliable as its fabric. That is why inspection is not a final step at Huashu — it is a habit woven through every stage, from incoming yarn to finished roll.

01

Incoming Yarn Check

Every yarn lot is tested for strength, evenness and dye affinity before it ever reaches a loom.

纱线入库检验

02

In-process Monitoring

Greige fabric is inspected meter by meter; weaving parameters are logged and corrected in real time.

织造过程监控

03

Dyeing & Finishing QC

Color, shrinkage, colorfastness and functional performance verified against your specification.

染整品质验证

04

Final Inspection

Finished rolls pass width, weight, appearance and packing checks before shipment — AQL standard.

成品出货检验

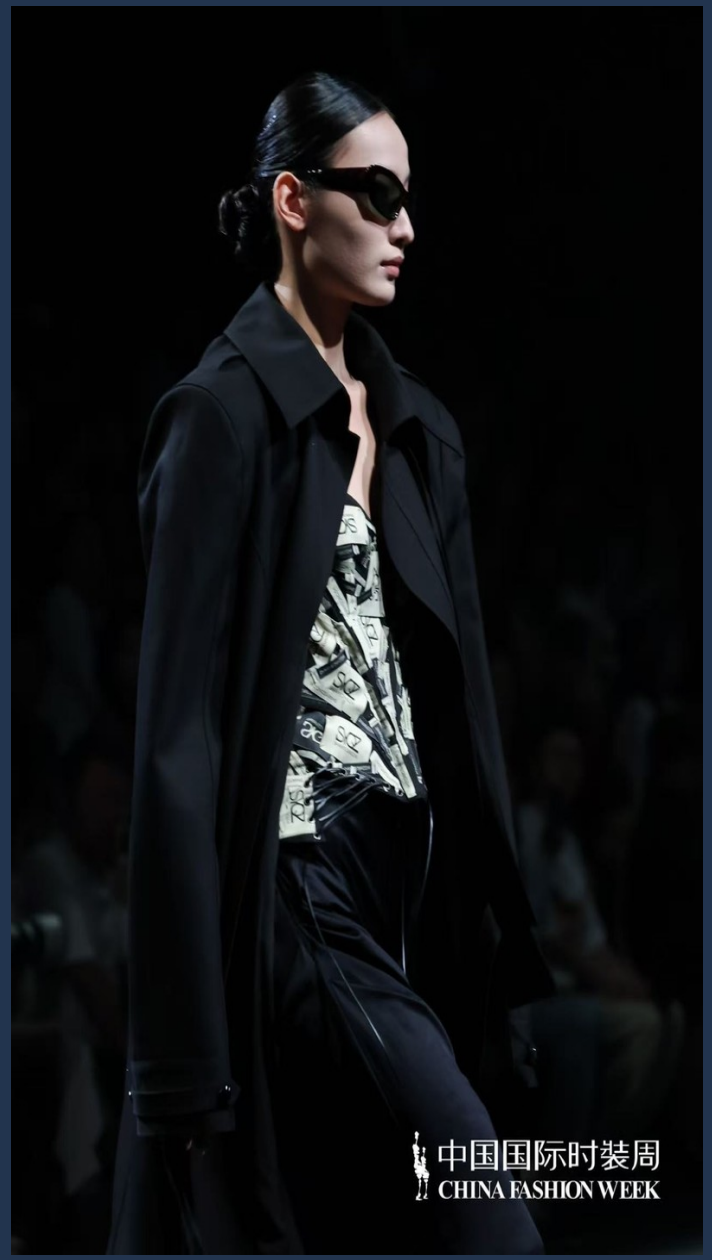

HUA SHU

20 — CHINA FASHION WEEK

From Mill to Runway.

Huashu suiting and functional fabrics walk the runway at China Fashion Week — proof that performance textiles can be beautiful. Our wool-acetate and recycled series dress the modern wardrobe, while the same engineering discipline serves our uniform programs. Beauty and duty, from the same loom.

华树西装与功能性面料登上中国国际时装周——性能与美学兼得，同一台织机，织就美丽与使命。

HUA SHU

21 — RUNWAY GALLERY

Huashu on the Runway.

Twelve looks, one mill. At China Fashion Week, our functional series, wool-acetate blends and recycled polyester shared the stage — designed with fashion houses, woven in our own workshops.

中国国际时装周：功能性系列、羊毛醋酸与再生面料同台，十二套造型，一家织造。

HUA SHU

Recycled, Reimagined.

Our RPET series turns post-consumer plastic bottles into high-performance polyester — the same hand feel, the same durability, with a far smaller footprint. Available across uniform, workwear and fashion weights, in stock colors and custom dye lots.

For uniform buyers, RPET is more than a material choice: it is a credible answer to public-sector sustainability mandates and corporate ESG targets — with traceable recycled content behind every meter.

再生 RPET 系列——将废弃塑料瓶转化为高性能涤纶，手感耐用不打折，碳足迹大幅降低，满足 ESG 与公共采购环保要求。

WHY RPET WITH HUASHU

- Lower carbon vs. virgin polyester
- Traceable recycled content
- Meets brand & tender sustainability targets
- Stock colors + custom dye lots
- Same performance as conventional polyester

HUA SHU

Trusted Beyond Borders

From world expos to defense exhibitions to fashion weeks, Huashu fabrics have been presented on international stages — and worn in professional programs across four continents.

2010	**Shanghai World Expo** · DEVNET Pavilion — designated exhibitor in our founding year 上海世博会 DEVNET 馆 指定参展商
2022	**SOFEX · Jordan** · International defense exhibition — military camouflage & tactical fabrics 约旦 SOFEX 国际防务展 军用迷彩与战术面料
Annual	**China Fashion Week · Beijing** · Huashu suiting & functional collections on the runway 北京中国国际时装周 华树西装与功能性系列发布
Ongoing	**Middle East Uniform Programs** · Police, civil-defense and corporate uniform fabrics serving the region 中东军警与企业制服项目持续供货

HUA SHU

Four Reasons Buyers Stay

01

True Vertical Integration

Weaving, dyeing and finishing under one roof. Fewer handoffs, tighter control, faster decisions — and pricing without middlemen.

织染整一体化

02

Sampling at Factory Speed

Thousands of stock qualities ready to courier; lab dips matched to your Pantone in days. Your timeline starts the day you ask.

打样神速

03

Engineering, Not Just Fabric

Composition, weight, construction and finish — developed around your duty, your climate, your specification. If it doesn't exist, we develop it.

按需研发

04

Partnership Mentality

Quotations within 24 hours, honest lead times, and after-sales support that treats your reorder like our reputation depends on it.

长期伙伴

HUA SHU

From Inquiry to Delivery

A clear, accountable process — you always know where your order stands.

01

Inquiry & Quotation

Tell us your fabric, function and target price. Formal quotation within 24 hours.

询价 · 24 小时内报价

02

Sampling & Approval

Stock swatches couriered immediately; lab dips and strike-offs to your spec.

打样 · 确认

03

Bulk Production

Weaving, dyeing and finishing in our own mill with in-process QC.

大货生产 · 全程品控

04

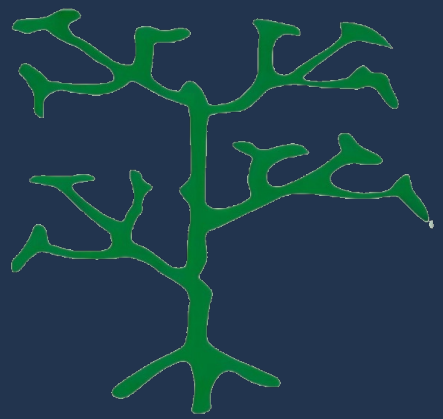

Inspection & Delivery

Final AQL inspection, export packing, on-time shipment with full documents.

检验 · 按时出运

Let's Weave Something Great.

Whether it's a national uniform tender, a workwear collection or a fashion capsule — start with a conversation. Samples and quotations within 24 hours.
